Stock Exchange.

New York. May 9.—The stock market was very active to-day, although the business done was not so evenly distributed as some time ago, but the tone was buoyant during most of the day and material advances occurred all over the list. The general outlook of the western situation is considerably improved, and the report of an agreement by the Senate caucus upon the silver bill sent silver up again and helped to impart additional strength to active stocks. Among inactive stocks Mexican Central Omaha shares and San Francisco, preferred, made sharp gains but the improvement reached almost everything traded in. The close was active, strong and generally at the best prices of the day. Governments steady.

The Blessing of Strong Nerves
Is recoverable, not by the use of mineral seda
tives, but by a recourse to effectual tonic treat
ment. Opintes and the like should only be
used as auxiliaries, and then as sparingly as
possible. Vigorous nerves are quiet ones, and
the most direct way to render them so is to reinforce the vital energies. That sterling invigornat. Hostetter's Stomach Bitters, will be found
all-sufficient for this purpose, since it entirely
removes impediments to thorough direction and
assimilation of the food, so that the body is assured its due amount of nourishment, and consequently of stamina. Rheumatic tendencies
and affections of the kidneys and bladder are
also counteracted by the Bitters, which is besides a pleasant medicinal stimulant, infinitely
purer than the raw excitants of commerce,
which react injuriously upon the nervous system. The Blessing of Strong Nerves

WHAT CAMP SAYS.

What camp says.

While talking with D. A. Camp, the popular book-keeper at Page's Implement house, the subject of cough medicine was brought up. Says Camp, there is one to which I feel deeply indebted. It has given relief time and time again to my wife and children. In feet I feel under the greatest obligations to Prichard Bros., druggists, for persuading me to buy a bottle of Chamberlain's Cough Remedy. I would not be without a bottle of it in the house for twice its cost. In regard to all threat complaints without a bottle of it in the nouse for twice its cost. In regard to all throat complaints of children and for colds it is unsurpassed. You just try it once and you will be sur-prised at the results. For sale by Z. C. M. I. drug department.—Fort Scott (Kan.) Monitor.
